

## Emergency Service Corps Monthly Activities Report: August 2024

### Summary

- The City of Parker CO has donated a Traffic Control Cabinet for new radio repeaters at McNeil Scout Ranch at Peaceful Valley. The local ARES Radio group is donating new equipment and installation. We will provide a new UPS to support the equipment, and a concrete pad will need to be installed next to the Mesa wellhouse. Thank you to the ARES Group, City of Parker and Bryan Faulkner who arranged the cabinet donation.
- Douglas County has initiated a free mental health first aid training program.  
<https://www.douglas.co.us/mental-health/mental-health-first-aid-training/>
- The ESC Team has two open positions for the coming Colorado Jamboree. We would like to find a older Youth Scout interested in Ham Radio to assist with Radio Communications We also have a slot for a Scouter with a current Ham License to also assist the Comms team.
- While it may be hot outside and seem like Summer will go on forever, winter camping is just around the corner. Get prepared by signing up for the ESC Winter Tips and Tricks training,

### ESC Programs

#### Medic Training & Support Program – Bryan Faulkner

- **Medic Training Program:** Pending Medic Training program and schedule update.
- **American Red Cross online 90-minute course for "immediate responder" orientation**  
<https://www.hmpgloballearningnetwork.com/site/emsworld/news/red-cross-releases-new-course-immediate-responders>  
American Red Cross and ACEP have released a 90-minute online orientation course for "immediate responders" at trauma or medical emergency scenes so that they know what to do and what not to do until trained responders arrive. Only a very small percentage of the public have any concept of appropriate steps to take to help victims of medical emergencies or trauma until trained first responders arrive to render care. This also would be very good for "**safety moments**" introductions on the website and to open meetings with to encourage participation by Scouts and Scouters.
- **Mental Health 1<sup>st</sup> Aid Support:** Training is available through the "Able Scouts" website - which leads to the Inclusion Toolbox, and in this case specifically, The Inclusion Toolbox, "J" which is Understanding Anxiety, Depression, and other Mental Health Concerns. The link is <https://ablescouts.org/toolbox/j/> Another section deals with recognizing and communicating with Scouts who have needs at <https://ablescouts.org/toolbox/c/>.  
Douglas County has initiated a free mental health first aid training program.  
<https://www.douglas.co.us/mental-health/mental-health-first-aid-training/>
- **Standardized GCC Medic 1<sup>st</sup> Response Kits:** DJ Rasco, Bob Fager and Taylor Yexley have been requested to develop an standardization of Medic 1<sup>st</sup> Response kits to be stocked and distributed at the McNeil Scout Ranch and deployed to GCC events off-site.
- **Medic Call List:** The Medic Call list ranges from Basic 1<sup>st</sup> Aid to Doctors. With this list of volunteers, we have fulfilled every GCC event request for Medic Support we have received. **THANK YOU ALL.**

#### Amateur Radio Program George Weber

- **Radios in Scouting:** The "**Introduction to Radio in Scouting**" class is now scheduled for the September ESC Meeting. Scouts and Scouters of all ages are welcome to attend, either in person at the Denver Scout Office Ham Radio Shack in the Cap Climbing Wall Lounge or on-line. See the note under Upcoming Activities for information on joining ESC Meetings and Trainings on-line.
- **Hamilton Scout Center and McNeil Scout Ranch Radio Shacks:** A procedure to authorize Scouts and Scouters to operate the stations is available.
- **McNeil Scout Ranch Ham Radio Repeater:** The KB0BSA repeater at camp (PV) is on 447.325 with a MINUS offset and a 151.4 Hz tone – required. Provide audio (your call sign) and it will give a voice ID response in reply. Work is continuing to find a new home for the repeaters in the form of a large Traffic Control box or other outdoor weatherproof electronics box.
- **Radio Library:** The ESC/Radio Scouting team has many FRS Walkie-Talkie radios as well as some Amateur HF, VHF and UHF requiring Ham license available for check-out. FRS radios do not require any training or license to use. These radios are packaged into convenient carry boxes with instructions. The radios are available for all Scouting Units to check out. Email Brad at [Johnston.Brad@outlook.com](mailto:Johnston.Brad@outlook.com) for more information.
- **Annual Jamboree on the Air / Jamboree on the Internet:** The annual JOTA/JOTI event is scheduled for October 18-20, 2024. Planning has begun and preliminary posters are in review. The ESC team and Radio Scouting folks are again planning an Open House at the Hamilton Scout Center on Friday evening as well as an Open House and Radio Merit Badge event on Saturday October 19, 2024.
